

first look

Welcome to First Look, the key preschool curriculum component of the Orange Strategy!

IT'S SIMPLE. ORANGE IS A STRATEGY THAT COMBINES THE CRITICAL INFLUENCES OF THE CHURCH AND HOME TO INCITE WONDER, PROVOKE DISCOVERY AND FUEL PASSION IN THE HEARTS OF THE NEXT GENERATION.

First Look is a web-based curriculum designed for babies through 5-year-olds. Every element centers on giving preschoolers a first impression of their loving heavenly Father.

Everything we teach our preschoolers is based on one of three simple, but powerful, truths. The entire curriculum is constructed to meet your preschoolers where they are cognitively, spiritually, physically, emotionally and socially. Through age appropriate activities, preschoolers are building their spiritual foundation so that by the time they graduate to Kindergarten they know these three basic truths.

We start with curriculum for Babies, providing a simple song to sing while changing a diaper. Toddler curriculum provides monthly activities for purposeful play. Extended toddlers adds a Bible story and craft each week. The real excitement starts when we reach the two-year-old and threes-through-fives and begin our Large Group/Small Group curriculum.

Large Group curriculum, known as Make It True, encourages all the children to gather together to worship and hear the Bible story. This can happen in the corner or a classroom or a on a stage. Scripts are provided for both environments.

Small Group curriculum includes both introduction activities with Make It Fun and review/reinforcement activities with Make It Stick. You can choose from activities that reach every learning style. In addition, the oldest preschoolers have the Make It Real component that introduces them to keeping a journal and praying together.

First Look has an entire Parent CUE strategy provided with the curriculum. We give you materials to send home with your parents either weekly or monthly to encourage the learning to continue at home. We provide ideas for Play Time, Drive Time, Bath Time, Cuddle Time and Morning Time that connect what preschoolers are learning at church with what they're hearing at home. We even have a Parent CUE app that parents can

download where they can watch a weekly video together as a family. We know your parents are going to love the Parent CUE resources we provide, almost as much as you're going to love watching your preschoolers grow in their faith.
