

## LIFE Group Leader Commitment

We are involved in being used by God to lead others to Christ. So awesome! Our goal: set up an environment in which spiritual growth can occur. This happens as we meet in meaningful community each week. As a Life Group Leader, you are agreeing to take a leadership position at Real Life. With that in mind, here is our Real Life Life Group Leader Commitment. As a life group leader you agree with the following -

I confess Jesus as my Savior and Leader.

I am a member at Real Life Christian Church and am in complete agreement with Real Life Christian Church's Statement of faith.

The Church is to take the Gospel message of Jesus to the world and is made up of those who have placed their faith in Christ, repented of sin, and have been baptized by immersion.

I have completed Life Group Leadership Application.

I am open to reporting and receiving feedback regarding my ministry by Real Life leadership staff.

I am not involved in any ongoing pattern of willing disobedience to God and I am committed to avoiding any "appearance of sin."

I will regularly attend weekend services.

I will seek to grow spiritually through the practice of personal spiritual disciplines:

-Quiet time: I will have a regular routine of reading God's word and prayer.

-Giving: I will make good use of all that God has given me (i.e. spiritual gifts, talents, time, and finances.)

-Community: I will commit to being a part of a Life Group.

I will maintain unity, agreeing not to teach or practice those things that are contrary to the teaching of Real Life Christian Church. I will also maintain a positive attitude towards the church and its leadership.

I will bring any discussion about disagreements to my leadership and will not use Life Group as a forum for such discussion.

I will commit to Real Life's healthy group model and development and training of apprentices.

I agree to surrender my position of leadership if requested to do so by Church leadership (i.e. Lead Pastor, Executive Pastor, and/or Elder)
